14th Annual Delta Poker Run Saturday - July 31, 2010

Brannan Island State Park **Hwy 160, Rio Vista, CA**

(3 miles south of Rio Vista, north of the Three Mile Slough Bridge)

EVENT DESCRIPTION

Held the last Saturday of July this is a cruise around the delta picking up poker playing cards from different marinas to make up a poker hand and ending with a BBQ dinner and prizes at OUTRIGGER CAMPGROUND, across 3 mile slough from where you started. Since the event is not a race and not under orders EVERYONE may bring their boat, car, or motorcycle (skateboards & wind surfers discouraged) and neighbors. This year's event is easy on your gas, and has a few "enhancements" for either boats or cars. In addition to the playing cards picked up at marinas, bonus cards will be awarded for things like contacting AuxAir to locate an area to SEARCH; helping AuxChef by preparing food (can you slice carrots?); or solving a medical crisis.

For those members staying at Brannan Park during the day there will be a cribbage tournament and skills competitions such as line tossing and navigation problems. Or you may choose to take a walk and renew a friendship.

Directions including the bonus options will be given out at the launch ramp at 10 AM.

Registration Fee

This event has been cancelled the last couple years due to lack of timely signups. This year we need you to sign up early so we have an idea of the commitment. We need you to sign up NOW and indicate how many people you expect to bring. Give us their names if you have them, or wait until the day of the poker run for supplying their names. If you have a cancellation your payment will be refunded so no penalty for signing up early.

CAMPSITES

Reserve your site at reserveamerica.com. Willow Campsites in the mid-20s are closest to the boat docks and run \$30 per night plus fees for up to 8 people. Olympic sites at \$40 per night plus fees are the RV area with 50A electricity and water. No sewer connect but there is a dump site. The park is pet friendly and they must be on a leash.
